Object

The provider, responsible of the web site (INNOVARCILLA), puts at the disposal of the users this document that aims to fulfill obligations of the law 34/2002 of Information Society Services and Electronic Commerce (ISS-EC), and inform all users of the web site what are the conditions of use of this one.

Any person accessing this site assumes the role of user, commitment to the observance and enforcement of the provisions stated herein and to any other applicable provision of law.

The provider reserves the right to change any information that could appear on the website, without any forewarning or to inform users such obligations, meaning enough the publication on the website of the provider.

Responsibility

The provider doesn't assume any liability for the information posted on its website, provided that such information has been altered or introduced by a party external to it. The website of the provider may use cookies (small pieces of information the server sends to the computer of the person accessing the page) to perform certain functions that are considered essential for the proper operation and display of the web site.

Since the provider can not always control the contents posted by third parties on their web sites, he doesn't assume any responsibility for such content. In any case, the provider will immediately remove any content that could violate national or international law, morality or public order, proceeding to the immediate withdrawal

of the redirect to the website, getting the attention of competent authorities of this content.

This website has been reviewed and tested to work properly. We can ensure the proper functioning of this one 365 days a year, 24 hours a day. However, the provider does not rule out the possibility that there are certain programming errors, or that happen due to a force majeure event, natural disasters, strikes or similar circumstances make it impossible to access the website.

Intellectual and industrial property

All portal content, which is understood to include but not be limited to text, photographs, graphics, images, icons, technology, software, links and other audiovisual or audio content, as well as their graphic design and source codes, is the intellectual property of INNOVARCILLA Foundation or in his case, he has a license or authorization by the authors. All website contents are adequately protected by the law of intellectual property and registered in public records.

Independently of the purpose for which they were destined, the total or partial reproduction, use, exploitation, distribution and commercialization, needs in any case of the written previous authorization by the provider. Any use not previously authorized by the provider, will be considered to be a serious breach of the rights of intellectual or industrial property of the author.

The designs, logos, text and / or graphics outside the provider, which could appear on the web site, belong to their respective owners, being themselves responsible for any dispute that may happen. In any case, the provider has the express and prior authorization from them.

To make any type of observation according to possible breaches of the rights of intellectual or industrial property, as well as on any of the contents of the web site, you can do it sending an e-mail to: administracion@innovarcilla.es
